

SURVEY: COULD YOU BENEFIT FROM ESSENTIAL OILS?

Each doTERRA essential oil product has a variety of health-promoting components that are designed to be used in your everyday routine. Whether you are an exercise enthusiast, a supporter of natural beauty products, an aspiring cook, or an advocate for health alternatives, essential oils might just be the product you are looking for. Take this survey to see how doTERRA products could be useful in your everyday life.

Q: Do you prefer to avoid the chemicals and synthetic scents found in standard household cleaners and laundry detergents? Would you use natural alternatives that power through grease and grime while leaving behind a refreshing scent?

Yes/No

Q: Are you interested in a natural product line that will keep your skin looking and feeling smooth, hydrated, and youthful? Would you use natural skin care products that incorporate powerful essential oils that target visible signs of mechanical aging?

Yes/No

Q: Are you seeking a solution to damaged hair or a distressed scalp? Would you use hair care products that combine pure botanical extracts, CPTG Certified Pure Therapeutic Grade[®] essential oils, and the most advanced technological ingredients to optimize the healthy look of your hair and scalp?

Yes/No

Q: Is your diet providing you with the energy-boosting vitamins and minerals necessary for your health? Would you use a supplement formulated with essential nutrients and powerful metabolic factors designed to strengthen your health, energy, and longevity?*

Yes/No

Q: Do you suffer from the occasional discomfort of menopause and aging? Would you use a women's product line containing natural plant extracts that support hormone balance or a blend of vitamins and minerals that promote bone health?*

Yes/No

Q: Do you experience occasional digestive discomfort? Would you use a product that helps support healthy organ cleansing and digestive health?*

Yes/No

Q: Are you interested in achieving and maintaining a healthy weight without going on a fad diet that leaves you feeling hungry? Would you enjoy a product line that promotes a healthy metabolism and helps manage hunger, but is simple to use?*

Yes/No

Q: Do you enjoy a physically active lifestyle? Would you use a topical cream infused with a soothing blend of essential oils and formulated with natural plant extracts before or after a strenuous workout?

Yes/No
